***Certification program: IC card - dual product***

Certificate Number: CAR-00141  
Product/System name: G+D PRISMA CP6 MC v2 -  
As implemented in: G+D PRISMA CP6 MC v2 Flexbump manufactured by G+D  
Barcelona

Dear M. FERNANDEZ,

PayCert, hereafter referred to as the Certification Body, has received a request, submitted by Giesecke + Devrient Mobile Security GmbH, your company, hereafter referred to as the Vendor, for the Certification of the IC card - dual product G+D PRISMA CP6 MC v2 (Prisma CP6 MC v2 Dual interface; Chip ST31P450 rev C; Flexbump and Te connect interconnect technology; IC Module manufacturing: Linxens Shanghai; IC Module embedding: G+D Barcelona) hereafter referred to as the Product, identified above G+D PRISMA CP6 MC v2.

In connection with your request, we have reviewed the Laboratory Test Reports (ref. ELITT/LAB/ECA-P/RDT/2022-038 V1.0 and ELITT/LAB/ECA-P/RDT/2022-039 V1.1), which were generated by ELITT laboratory.

After assessing such file in the Certification Evaluation Report (ref. CER/EVR/CAR/2022-070 v1.0.0), the Certification Body has found reasonable evidence that the submitted samples of the above referenced Product sufficiently complies to the RB 4530 – Card Approval & Certification Framework-2018-11; Rule Book 4514 - Technical Specifications – Embedding-09/2016; Rule Book 4515 - Technical Specifications – Card Bodies-09/2016 Specification.

The Certification Body hereby (a) grants your Product Certification for IC card - dual product, based on the requirements stated by the RB 4530 – Card Approval & Certification Framework-2018-11; Rule Book 4514 - Technical Specifications – Embedding-09/2016; Rule Book 4515 - Technical Specifications – Card Bodies-09/2016 Specification, and (b) agrees to include your Product in the certified products list.

The Certification Body's grant to your Product is subject to the following terms and conditions as listed hereafter:

i) The Vendor commits to the Certification Body certification procedures to obtain the Certification.

ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in The Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.

iii) The Certification granted to the Vendor for the above referenced Product is non-transferable to any other vendor.

The present certification letter is valid as of today. The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body website ([www.paycert.eu](http://www.paycert.eu)).

**G+D Mobile Security GmbH, Certificate Number: CAR-00141**

***This Certificate letter is effective as a proof of Certification.***
