Product/System name: TanGO CLAP v3 (commercial identification)

Compliant with: Calypso Light Specification (v1.2)

Type of product: Full Contactless Native Card

RF Protocol supported: Type B

Calypso platform reference: \$52 SLC26 Family

Main features: Reference File Structure, Classic File Structure

Dear Customer,

PayCert hereafter referred to as the Certification Body, has received a request, submitted by Paragon ID, your company, hereafter referred to as the Vendor for the Certification of the Contactless card product "TanGO CLAP v3" (Hardware identification: SLC26TDA280G7, Hardware Manufacturer ID: Infineon Technologies AG, Software Issuer ID: PARAGON ID \$00, Application version: v3 r1), hereafter referred to as the Product and identified above as "TanGO CLAP v3".

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as CAL.PRG.LIGHT.2025-017 dated 2025/10/24 and we have assessed your Test Report(s) (ref. IC.E.RE.2510.007 V1.1), which was generated by ICUBE TESTING CENTER, following the Test Plan (ref. Calypso Light Functional Test Plan version 4).

After assessing such files in the Certification Evaluation Report (ref. CER/EVR/CNA/2025-145 v1.0.0) the Certification Body has found reasonable evidence that the submitted samples of the Product comply to the Calypso Light specification (ref. 170101-CalypsoLightApplication v1.2, Sep. 2019).

The Certification Body hereby grants the Product Certification of compliance with the requirements stated by the Calypso Calypso Light specification (ref. 170101-CalypsoLightApplication v1.2, Sep. 2019) standard and will include your Product in the certified products list, published on PayCert website (http://cna-paycert-certification.com).

Please note that the present Certification (ref. CER/CLE/CNA/2025-168 v1.0.0) is subject to the following terms and conditions as listed hereafter :

- i) The Vendor commits to the Certification Body certification procedures as well as the Calypso Certification Policy to obtain the Certification and therefore is valid as of today and will expire on the 25 November 2035.
- ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in the Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.
- iii) The present Certification granted to Paragon ID for the above referenced Product is non-transferable to any other vendor.

The Certification Body has the right to terminate or revoke the Certification should any of the aformentionned terms and conditions be not respected.

Because the Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body website (https://www.cna-paycert-certification.eu).

Certificate Number: CNA-CCLA-00004

This Certificate letter is effective as a proof of Certification.

Name: Laurence MASSON

Title: Chief Operating Officer

APPENDIX (extract from ICS CAL.PRG.LIGHT.2025-017 dated 2025/10/24)

Main options		
SIZE/CAPACITY	What is the maximum Lc supported?	250
	What is the maximum Le supported?	250
