Calypso® Compliance Certificate – Card product

Certificate Number: **CNA-CCLA-00005**

Product/System name: beON CLAP 1.0 (commercial identification)

Compliant with : Calypso Specification – Calypso Light (v1.2)

Type of product : Full Contactless Native Card

RF Protocol supported: Type B

Calypso platform reference: \$52 SLC26 Family

Main features: Reference File Structure, Classic File Structure

Dear Customer,

PayCert hereafter referred to as the Certification Body, has received a request, submitted by CONFIDEX / BEONTAG, your company, hereafter referred to as the Vendor for the Certification of the Contactless card product “beON CLAP 1.0” (Hardware identification: SLC26TDA280G7, Hardware Manufacturer ID: Infineon Technologies AG, Software Issuer ID: Confidex/Beontag \$3D, Application version: v10 r01), hereafter referred to as the Product and identified above as “beON CLAP 1.0”.

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as CAL.COF.LIGHT.2025-031 dated 2025/12/18 and we have assessed your Test Report(s) (ref. IC.E.RE.2511.021 V1.0), which was generated by ICUBE Testing Center, following the Test Plan (ref. Calypso Light Functional Test Plan version 4).

After assessing such files in the Certification Evaluation Report (ref. CER/EVR/CNA/2025-177 v1.0.0) the Certification Body has found reasonable evidence that the submitted samples of the Product complies to the Calypso Light specification (ref. 170101-CalypsoLightApplication (v1.2, Sep. 2019)).

The Certification Body hereby grants the Product Certification of compliance with the requirements stated by the Calypso Calypso Light specification (ref. 170101-CalypsoLightApplication (v1.2, Sep. 2019)) standard and will include your Product in the certified products list, published on PayCert website (<http://cna-paycert-certification.com>).

www.paycert.eu

Please note that the present Certification (ref. CER/CLE/CNA/2025-191 v2.0.0) is subject to the following terms and conditions as listed hereafter :

- i) The Vendor commits to the Certification Body certification procedures as well as the Calypso Certification Policy to obtain the Certification and therefore is valid as of today and will expire on the 21 December 2035.
- ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in The Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.
- iii) The present Certification granted to CONFIDEX / BEONTAG for the above referenced Product is non-transferable to any other vendor.

The Certification Body has the right to terminate or revoke the Certification should any of the aformentionned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body website (<https://www.cna-paycert-certification.eu>).

Certificate Number: **CNA-CCLA-00005**

**The present certification letter supersedes the certification letter
ref. CER/CLE/CAN/2025-191 v1.0.0 issued on December 22nd, 2025**

This Certificate letter is effective as a proof of Certification.
