Product/System name: Gemalto Calypso Light G3 (commercial identification)

Compliant with : Calypso Specification – Calypso Light (v1.2)

Type of product : Full Contactless Native Card

RF Protocol supported: Type B

Calypso platform reference: \$50 SLC36 Family

Main features: Reference File Structure, Classic File Structure

Dear Customer,

PayCert hereafter referred to as the Certification Body, has received a request, submitted by THALES DIS France SAS, your company, hereafter referred to as the Vendor for the Certification of the Contactless card product “Gemalto Calypso Light G3 V1.0” (Hardware identification: SLC36PDL352, Hardware Manufacturer ID: Infineon Technologies AG, Software Issuer ID: THALES DIS \$14, Application version: v1.0 r01), hereafter referred to as the Product and identified above as “Gemalto Calypso Light G3”.

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as CAL.THA.LIGHT.2026-006 dated 2026/03/16 and we have assessed your Test Report(s) (ref. IC.E.RE.2603.011 V1.0), which was generated by ICUBE TESTING CENTER, following the Test Plan (ref. Calypso Light Functional Test Plan version 4).

After assessing such files in the Certification Evaluation Report (ref. CER/EVR/CNA/2026-065 v1.0.0) the Certification Body has found reasonable evidence that the submitted samples of the Product complies to the Light specification (ref. 170101-CalypsoLightApplication (v1.2, Sep. 2019)).

The Certification Body hereby grants the Product Certification of compliance with the requirements stated by the Calypso Light specification (ref. 170101-CalypsoLightApplication (v1.2, Sep. 2019)) standard and will include your Product in the certified products list, published on PayCert website (<http://cna-paycert-certification.com>).

www.paycert.eu

Please note that the present Certification (ref. CER/CLE/CNA/2026-087 v1.0.0) is subject to the following terms and conditions as listed hereafter :

i) The Vendor commits to the Certification Body certification procedures as well as the Calypso Certification Policy to obtain the Certification and therefore is valid as of today and will expire on the 07 of April 2036.

ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in The Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.

iii) The present Certification granted to THALES DIS France SAS for the above referenced Product is non-transferable to any other vendor.

The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body website (<https://www.cna-paycert-certification.com>).

Certificate Number: **CNA-CCLA-00007**

***This Certificate letter is effective as a proof of Certification.***
