The Certification Body hereby (a) grants your Product Certification for eMRTD product, based on the requirements stated by the ICAO Doc 9303 Seventh Edition, 2015 and ISO/IEC 14443 : 2016 Specifications, and (b) agrees to include your Product in the certified products list.

The Certification Body's grant to your Product is subject to the following terms and conditions as listed hereafter:

i) The Vendor commits to the Certification Body certification procedures to obtain the Certification.

ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in The Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.

iii) The Certification granted to the Vendor for the above referenced Product is non-transferable to any other vendor.

The present certification letter is valid as of today. The Certification Body has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body website (www.paycert.eu).

Infineon Technologies AG, Certificate Number: IDN-00025

This Certificate letter is effective as a proof of Certification.
