<b>Main Features:</b>	<i>Reference file structure</i>	<input checked="" type="checkbox"/>
	<i>Classic file structure</i>	<input checked="" type="checkbox"/>

Dear Customer,

Calypso Networks Association, hereafter referred to as "CNA", has received a request, dated 20 January 2019, submitted by THALES DIS, your company, hereafter referred to as the "Vendor", for the Certification of a Calypso Light Application for Portable Object, hereafter referred to as the "Product", identified above.

Relating to your request, we have reviewed the Laboratory Test Report referenced above, which was generated by ELITT laboratory.

After assessing this report, CNA has found reasonable evidence that the submitted samples, of the above referenced Product, sufficiently comply with the revision 1 of the Calypso Light Application for Portable Objects specification.

CNA hereby (a) grants the Product Certification of compliance with the requirements stated in the revision 1 of the Calypso Light Application for Portable Objects Specification (referenced above), and (b) agrees to include your Product in the certified products list.

The CNA granting of the certification to your Product is subject to the following terms and conditions as listed here after:

- i) The Vendor commits to the CNA certification procedures to obtain the Certification and therefore is valid from 4 March 2019 and will expire on 3 March 2029.
- ii) If the Product's hardware or software is changed, the Vendor must notify CNA of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and the Vendor's Declaration Form, in CNA's sole discretion, will be considered as a modification requiring a new certification evaluation.
- iii) The Certification granted to the Vendor for the above referenced Product is non-transferable to any other vendor.

CNA has the right to terminate or revoke the Certification should any of the aforementioned terms and conditions not be respected.

Because the CNA's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the, up to date, list of certified Products published on the CNA-PAYCERT website ([www.cna-paycert-certification.eu](http://www.cna-paycert-certification.eu)).

This Certificate letter is effective as a proof of Certification.
